IFRA members can now participate in a 360° energy management strategy, managed by our partnered member, Affordable Gas + Electric. Membership participation provides risk free access to bulk negotiated electricity and natural gas rates, money saving energy efficiency products and recommendations towards the deployment of solar technology. This program is projected to save participants 10% – 20% or more off current electricity rates.

Eligibility Requirements

- You must be a member of IFRA.
- You must be in an eligible deregulated utility zone (ComEd, Ameren, Nicor, etc.). Accounts serviced by municipal electric or gas utilities or co-ops are not eligible.
- If you are currently under contract with another Retail Supplier, you must include the name of your current supplier and contract expiration date on the following form.

How to Join the Buying Group

- Provide the account information requested on the following form, listing each account number and service address you wish to opt-in to the Buying Group.
- Attach a recent electric and/or natural gas bill for each account number/service address you indicate.
- Sign and return to AGE. **Fax to (618) 205-5069 or email to info@agellc.com**
- We will send a confirmation email to the address you provided when your information has been entered into the pricing pool.

Acknowledgement

I authorize Affordable Gas & Electric Company, LLC (AGE) to submit my establishment's utility account information to selected suppliers in order to obtain pricing as part of the Opt-In Electricity and Natural Gas Buying Groups.

I deem AGE to be my exclusive broker/agent while participating in this Buying Group.

In order to sign up for service at the Buying Group rate(s), an authorized representative of the business above must sign a contract provided by the selected Retail Energy and/or Natural Gas Supplier through AGE.

AGE will not provide, sell, or distribute any of the information collected on this form to anyone other than the selected supplier, for the purposes of pricing and contract generation.
